RE: Approval of the FY2012-039047-001A TB State Amendment

DATE: May 10, 2012

Please approve the Department of State Health Services (DSHS) amended contract for FY2012. The State added an additional \$17,946.00 to our existing contract for a total of \$200,124.00. This increase is a one-time award because TDSHS received additional general revenue funds for the 2012-13 biennium. The funds are to be used to increase our program capacity and decrease the amount of TB morbidity in our service area.
